4. Governance and management of subsidiaries

The fundamental principles and governance system of Zavarovalnica Triglav's subsidiaries are set out in the Subsidiary Governance Policy and Rules for Employees Working Abroad. The subsidiaries are managed through two types of key divisions: core business functions (insurance specific) and supporting business functions, existing practically in all subsidiaries. The parent company manages the insurance part of the Group through all of its business segments, and the non-insurance part through its support segments and functions.

In 2012, the business divisions of Zavarovalnica Triglav implemented minimum standards in the Group's subsidiaries and continued the transfer of good practices. The goal is to improve the operations of individual business functions, especially core functions, in the entire Group, in order to exploit the synergies and know-how of the parent company and to make the presence of the Triglav Group in all local markets more efficient.

Zavarovalnica Triglav's equity stakes in the Triglav Group's subsidiaries registered outside Slovenia were transferred to the subsidiary Triglav INT d.d., holdinška družba, a 100%-owned subsidiary of Zavarovalnica Triglav, since its foundation at the end of 2010 until early February 2012. The purpose of the establishment and transfer of these stakes to Triglav INT d.d. was to attract a strategic partner that will enable the Triglav Group to consolidate its presence in existing and new markets by providing new capital for further growth. Following this strategic orientation, an agreement was signed at the end of March 2012 with the International Finance Corporation, a member of the World Bank Group (hereinafter: IFC). In accordance with the said agreement and upon meeting the conditions, IFC plans to invest EUR 25 million and thus take over 16.68% of Triglav INT d.d. The entry of the strategic partner into Triglav INT d.d. was planned to take place by the end of 2012. In 2013, the activities regarding the entry of a strategic partner will be further pursued.
